Withdrawal of premium payments from the identified account will be made monthly. Select the day of the month listed below on which Prudential should withdraw the premiums. For existing policies, the day of the month selected must be on or before the due date of your premium. If you do not specify a date, we will select one. You will be sent a notification 10 days in advance of the amount and the date of withdrawal.

- 1st 7th 15th 23rd 28th

We cannot establish an electronic funds transfer program if the dividend option is to reduce premiums. In that event, we will withdraw the full amount of the premiums from your account. Unless otherwise elected, any future dividends will be used to provide paid-up additional insurance, if available, or will otherwise accumulate at interest.

**Cannot exceed the monthly premium unless the policy has flexible payment arrangements.*

Instructions Record all banking information on the form in section 2, **Enrollment Information**. Please follow these steps:

1. Please enclose your blank, voided check for the checking account that you wish us to withdraw your payments from. *Note: We cannot obtain acceptable banking information from deposit slips.*
2. Tape your voided check below so that the bottom right corners are lined up. This will help you identify the necessary bank information to initiate electronic withdrawals. The nine-digit transit routing number is how we recognize the bank you do business with.
3. Return this attachment with the voided check along with the signed copy of the form.
4. If a savings account is being used, you must first check with your bank to ensure that you do not exceed limits on how many electronic withdrawals can be made each month. Also ask them to provide you with the correct bank transit routing number and account number for electronic withdrawals.
Note: We cannot obtain acceptable banking information from deposit slips.
